

Families and children

Baby cots and high chairs are free on request while stock lasts. Children under 6 stay free when they use the existing beds. Each child receives a small welcome pack with a colouring book on arrival. The hotel does not run a kids club, but babysitting can be arranged for 15 euros per hour with 48 hours' notice. The restaurant offers a children's menu and the rooftop pool can be used by children with an adult.

Pets

Dogs and cats up to 15 kg are welcome for a fee of 20 euros per stay. A pet bed and bowls are available on request at the front desk. Pets are not allowed in the restaurant or the wellness room, but they are tolerated on the roof terrace. Pets must be kept on a leash in all common areas. Guests are asked never to leave their pet alone in the room.

Accessibility

The hotel has 3 accessible rooms on the ground floor, with a roll-in shower and grab bars. A lift serves all floors, including the rooftop pool. The restaurant is accessible to wheelchair users, while the wellness room can only be reached by stairs. Assistance dogs are welcome everywhere in the hotel at no charge, including in areas where pets are not allowed. Guests who need help are invited to tell the front desk before arrival.
