

Front desk and arrival

The front desk is staffed every day from 8:00 to 23:00. Outside these hours, guests can ring the night bell at the main door in case of an emergency. Check-in starts at 14:00 and check-out is at 12:00. A late check-out until 14:00 is available for 20 euros, subject to availability, and must be requested the day before at the front desk. Guests who expect to arrive after 23:00 must tell the hotel in advance by phone or email so that a member of staff can wait for them. Luggage can be stored free of charge on the day of arrival and on the day of departure.

Wi-Fi and connectivity

Wi-Fi is free for all guests, in the rooms and in the public areas. The network is called CasaAurora_Guest and the password is printed on the key card sleeve handed over at check-in. The connection is fibre optic with a speed of 300 Mbps. A small business corner in the lobby has a printer, and guests can print 10 pages per day for free. If the connection drops, the front desk can send a technician or lend a portable router.

Parking and transport

The hotel has no private car park. Guests can use the Harbour Garage, 200 metres away, at 22 euros per 24 hours; booking a space through the front desk is recommended in summer. An airport transfer costs 35 euros per car for up to three passengers and must be booked at least 24 hours in advance. The Saint Elmo tram stop is a 7-minute walk from the hotel, and the main railway station is 10 minutes away by taxi.

Laundry and extra services

A laundry and dry-cleaning service is offered: items handed in before 10:00 are returned the next day by 18:00. The service is not available on Saturdays. An ironing service, or an iron with an ironing board, can be provided on request. Every room has a free safe large enough for a laptop. Umbrellas can be borrowed at the front desk when it rains.
